

The **2017 Erie Homecoming & Business Showcase** is set for August 24th at the Bayfront Convention Center.

In our first year – last year - *Erie Homecoming & Business Showcase* attracted 26 “Alumni” to come back home and present stories of success, showcased 93 Erie companies in the Exhibit Hall, and attracted over 1000 attendees throughout the day.

We want YOUR BUSINESS to join the day as an exhibitor in the **Business Showcase** in the Exhibit Hall at the Bayfront Convention Center.

The **Business Showcase** provides you with the opportunity to network with over 100 fellow businesses in the Erie region, thousands of individuals, and gain valuable social and traditional media exposure – all in a very cost effective format.

This year, each exhibiting company will get a 2 minute Facebook Live video that will run on the Chamber’s page. In addition, all local television and radio stations are being invited to live broadcast at the event for all or part of the day.

The Erie Regional Chamber and Growth Partnership views the **Business Showcase** as great opportunity to build awareness regarding the diversity, capacity and sophistication of the Erie regional business community.

Reserve your booth today by completing the attached *Booth Registration* and returning as directed!
