

REGIONAL CHAMBER AND
GROWTH PARTNERSHIP

Celebration of Excellence

Leadership Through the Years

April 16, 2009 - 5:30 p.m.

Bayfront Convention Center

Erie is home to a number of excellent companies and organizations—many with a long history of investing in our region.

To celebrate these investments, the focus of the ERCGP's annual dinner (historically honoring our legislators) will now place a greater emphasis on business by honoring companies that have provided leadership through the years. Close to 500 business leaders will help us recognize three companies who continue to invest here.

Your Chamber will also honor the 2009 ATHENAPowerLink® recipients and the 2009 Louis J. Tullio Community Service Award winner.
