

Dear Partner,

Taking care of each other and working together to benefit the community are what we are called to do each day in the hospitality industry.

Today we hope to help address a new need: providing food for healthcare workers, first responders, and those organizations essential to keeping our community running safely and smoothly.

As a partner in this endeavor to support the heart of our community, we are seeking monetary assistance from you. Red Letter Hospitality would provide a \$10 (+ 6% sales tax) hearty meal and delivery to designated organizations.

Menu below.

Partnership Level	Quantity Served
